## Additional Lyrics

- How many years can a mountain exist  
before it is washed to the sea?  
Yes 'n' how many years can some people exist  
before they're allowed to be free?  
Yes 'n' how many times can a man turn his head  
pretending that he just doesn't see?

The answer, my friend, is blowin' in the wind,  
The answer is blowin' in the wind.
